Senior Portion in-house only please

**Did you know?* The term "Blue Plate Special" refers to a plate with separate sections, like a TV dinner tray, that came off the dishware assembly lines during the Great Depression. Because the plates were cheap and cleanup was reduced from three plates per meal to one, diner owners began using them to serve their daily specials. For some reason, those first plates were colored blue, and "Blue Plate Special" became synonymous with diners' low-cost daily meals.

Please Note: LUNCHEON ITEMS ARE LIMITED ON WEEKENDS
